

# Badger Rock Community Garden 2025 Demographics and Plot Fee Chart

Your information remains anonymous and is collected by the Gardens Network solely for funding purposes. In 2025, Rooted will not be collecting demographic information, as we have found that demographics do not change substantially from year to year. Thank you for providing us with the information to help us determine that. This year, this is just a form to determine sliding scale plot fees:

1) FIRST circle the number of people in the household(s) using the plot, THEN circle the household(s)'s total annual income:

1	2	3	4	5	6	7	8	Over 8: # of people: <sup>1</sup>	Plot Fee <sup>2</sup>

1. For household sizes larger than 8, income limits can be found by taking the 4 – person income limit and adding an additional 8% of that for each household member beyond 4.  
 2. Plot fees may be adjusted depending on the needs of the garden and/or where plot sizes vary from the standard 20\*20 or 400 square foot area.
